TEACHER TRAINING

3. Muis has been providing support for teacher and leadership development to uplift the learning quality in the Madrasahs through Muis-led initiatives and Madrasah-based initiatives. Muis also sponsored teachers to attain professional teaching qualification in areas of education and applied learning.

4. In addition, the government provides a training support grant which is based on a provision of \$1,000 per teacher of Language, Maths and Science subjects, which Muis then matches with the provision of \$1,000 for each teacher of religious subjects.
