Majlis Ugama Islam Singapura
(Islamic Religious Council of Singapore)

Gratitude is about recognising the goodness one receives.

A sense of gratitude is associated with increased well-being and physical health. It does not only help instill appreciation between people, as well as love for Allah s.w.t, but it also brings about a profound change in us individuals.

Every sunrise presents an opportunity to be grateful. These are some of the blessings that we experience daily.

So, what are you grateful for today?
